Texas Beacons of Excellence in the Community...

The month of June was full of opportunities to network and advance professional development. During the first week of June, the TBE team traveled to Pittsburgh, Pennsylvania to attend the National American Association on Intellectual and Developmental Disabilities (AAIDD) Conference hosted June 5-7, 2023. The following week the TBE team traveled to Columbus, Ohio for the National Association of People Supporting Employment First (APSE) Conference hosted June 12-15, 2023. Overall, the conferences provided great opportunities to network, connect, and learn from the other Employment First states.
